

## APRILE/APRIL

**13/04**

**h. 16:00** - CM2: Materials Design and Processing for Industrial Engineering

**14/04**

**h. 10:00** - CC2: Wind Energy

**18/04**

**h. 11:30** - CM1: Digital Technologies for Product Development

**h. 13:00** - CC6: Sports Engineering

**19/04**

**h. 17:00** - CC4: Bioinspired Engineering

**21/04**

**h. 17:00** - CM6: Data Science for Industrial Engineering

**26/04**

**h. 13:15** - FA6: Smart and Sustainable Industry

**h. 14:00** - FA4: Mechatronics and Robotics

**h. 16:00** - FA1: Automotive and Motorsport Engineering/FA2: Marine Engineering/FA3: Railway Engineering

## MAGGIO/MAY

**03/05**

**h. 16:30** - CM3: Computational Mechanical Design

**04/05**

**h. 16:00** - CC5: Micro and Nano Engineering

**08/05**

**h. 14:30** - CC1: Propulsion and Power

**h. 17:00** - CM5: Production Systems

**10/05**

**h.12:30** - CM4: Green Design and Sustainable Manufacturing

**h.16:00** - CC3: Defence and Security

**12/05**

**h. 10:30** - FA5: Mechatronics for Manufacturing
